

Ideation Phase Empathize & Discover

Date	10 September 2026
Team ID	SWUID2026191972
Project Name	Medical Diagnosis Center by Service Portal (ServiceNow)
Maximum Marks	4 Marks

Empathy Map Canvas:

An empathy map helps us understand the needs, thoughts, and challenges of users before developing a solution. For the Medical Diagnosis Center by Service Portal (ServiceNow) project, the main users are patients, lab technicians, receptionists, and administrators. This empathy map helps us understand their experience and design a user-friendly ServiceNow solution.
